Dear Business Owner,

Shoulders fOr Safety needs your help. We are beginning the process of applying for certain Federal grants to obtain funds for the needed shoulders on our rural highways. To increase our chances of being considered for this funding, we need letters of support from local businesses. If you are a business owner, or know an owner of a business in this area, please support us. The SOS website (www.shouldersforsafety.org) has a prepared copy of this letter that can be downloaded and printed on your company's letterhead. This letter is available on the website in word document form, allowing you to edit out the instructional text before printing it on your company letterhead. Please sign and return to :

If you have any questions or problems email us at shouldersforsafety@yahoo.com. The support of local business owners is crucial to helping us reach our goal of permanent, paved shoulders on our roads.

Thank you for your support.
